

Science Learning partnership subscription packages

Why Subscribe?

Being a member of a Science Learning Partnership network gives Science Leads the opportunity to develop their leadership and strengthen school provision through the opportunity to collaborate, share best practice, and have access to the latest developments in science education and CPD.

What's included?

Network membership gives access to a number of Science Lead meetings focused on leadership of the curriculum and numerous instances of high quality CPD from STEM Learning, to help improve and expand your whole teams science delivery.

Subject leader conferences and CPD

We have conferences which are opportunities for subject leaders to come together to receive CPD and updates regarding pedagogy, assessment, Ofsted, Covid recovery, practical science and more. Conferences will take place in Summer 2023, and Summer 2024 in the West Mids. Remote conferences often take place ad hoc throughout the year. Priced at £100 per conference.

CPD courses

We have regular CPD courses taking place throughout the year on subject knowledge and pedagogy. Priced at £185 per course.

Secondary Science Leads Remote Network and Support

Our primary science Zoom network runs half-termly and is an opportunity for SLs across the West Midlands to attend relevant updates and support. Priced at £150 to join the network.

Bespoke CPD

We can deliver CPD at your school on a topic of your choice: pedagogy, assessment, subject knowledge, Ofsted or whatever you need. Cost £450 per half day.
